Spalding's Athletic Library

A. G. SPALDING

Anticipating the present tendency of the American people toward a healthful method of living and enjoyment, Spalding's Athletic Library was established in 1892 for the purpose of encouraging athletics in every form, not only by publishing the official rules and records pertaining to the various pastimes, but also by instructing, until to-day Spalding's Athletic Library is unique in its own particular field and has been conceded the greatest educational series on athletic and physical training subjects that has ever been compiled.

The publication of a distinct series of books devoted to athletic sports and pastimes and designed to occupy the premier place in America in its class was an early idea of Mr. A. G. Spalding, who was one of the first in America to publish a handbook devoted to athletic sports, Spalding's Official Base Ball Guide being the initial

number, which was followed at intervals with other handbooks on the sports prominent in the '70s.

Spalding's Athletic Library has had the advice and counsel of Mr. A. G. Spalding in all of its undertakings, and particularly in all books devoted to the national game. This applies especially to Spalding's Official Base Ball Guide and Spalding's Official Base Ball Record, both of which receive the personal attention of Mr. A. G. Spalding, owing to his early connection with the game as the leading pitcher of the champion Boston and Chicago teams of 1872-76. His interest does not stop, however, with matters pertaining to base ball; there is not a sport that Mr. Spalding does not make it his business to become familiar with, and that the Library will always maintain its premier place, with Mr. Spalding's able counsel at hand, goes without saying.

The entire series since the issue of the first number has been under the direct personal supervision of Mr. James E. Sullivan, President of the American Sports Publishing Company, and the total series of consecutive numbers reach an aggregate of considerably over three hundred, included in which are many "annuals," that really constitute the history of their particular sport in America year by year, back copies of which are even now eagerly sought for, constituting as they do the really first authentic records of events and official rules that have ever been consecutively compiled.

When Spalding's Athletic Library was founded, seventeen years ago, track and field athletics were practically unknown outside the larger colleges and a few athletic clubs in the leading cities, which gave occasional meets, when an entry list of 250 competitors was a subject of commensal meets; golf was known only by a comparatively few persons; lawn tennis had some vogue and base ball was practically the only established field

sport, and that in a professional way; basket ball had just been invented, athletics for the schoolboy—and schoolgirl—were almost unknown, and an advocate of class contests in athletics in the schools could not get a hearing. To-day we find the greatest body of athletes in the world is the Public Schools Athletic League of Greater New York, which has had an entry list at its annual games of over two thousand, and in whose "elementary series" in base ball last year 106 schools competed for the trophy emblematic of the championship.

While Spalding's Athletic Library cannot claim that the rapid growth of athletics in this country is due to it solely, the fact cannot be denied that the books have had a great deal to do with its encouragement, by printing the official rules and instructions for playing the various games at a nominal price, within the reach of everyone, with the sole object that its series might be complete and the one place where a person could look with absolute certainty for the particular book in which he might be interested.

In selecting the editors and writers for the various books, the leading authority in his particular line has been obtained, with the result that no collection of books on athletic subjects can compare with Spalding's Athletic Library for the prominence of the various authors and their ability to present their subjects in a thorough and practical manner.

A short sketch of a few of those who have edited some of the leading numbers of Spalding's Athletic Library is given herewith:

WALTER CAMP

For quarter of a century Mr. Walter Camp of Yale has occupied a leading position in college athletics. It is immaterial what organization is suggested for college athletics, or for the betterment of conditions, insofar as college athletics is concerned, Mr. Camp has always played an important part in its conferences, and the great interest in and high plane of college sport to-day, are undoubtedly due more to Mr. Camp than to any other individual. Mr. Camp has probably written more on college athletics than any other writer and the leading papers and magazines of America are always anxious to secure his expert opinion on foot ball, track and field athletics, base ball and rowing. Mr. Camp has grown up with Yale athletics and is a part of Yale's remarkable athletic system. While he has been designated as the "Father of Foot Ball," it is a well known fact that during his college career Mr. Camp was regarded as one of the best players that ever represented Yale on the base ball field, so when we hear of Walter Camp as a foot ball expert we must also remember his remarkable knowledge of the game of base ball, of which he is a great admirer. Mr. Camp has edited Spalding's Official Foot Ball Guide since it was first published, and also the Spalding Athletic Library book on How to Play Foot Ball. There is certainly no man in American college life better qualified to write for Spalding's Athletic Library than Mr. Camp.

1. To immortalize Base Ball as the national game of the United States.
2. To surround it with such safeguards as to warrant absolute public confidence in its integrity and methods.
3. To protect and promote the mutual interests of professional Base Ball clubs and professional Base Ball players, and
4. To establish and regulate the professional Base Ball championship of *this League*.

Membership.

SEC. 3. This League shall consist of eight clubs (the membership shall not be increased or diminished except by unanimous consent of the League), located in and representing the following cities, to wit: Boston, New York, Brooklyn, Philadelphia, Pittsburg, Cincinnati, St. Louis and Chicago, and in no event shall there be more than one club in any city.

Withdrawal from Membership.

SEC. 4. Any club member of the League unable to meet the obligations it has assumed may ask the League for permission to dispose of its rights and franchises as a member of the League in that city to some other corporation. In the event of this League giving its consent to the transfer of membership from one company to another it must be understood that the new member shall assume with the franchise and rights of the retiring company all the lia-

bilities, responsibilities and obligations entered into by the retiring company. It must also be understood by the retiring and new company that the company retiring shall not be relieved or released from any contract or obligation entered into by it to this League until all of said contracts and obligations have been fully paid and determined by the company accepting its membership, rights and franchises.

Admission to Membership.

SEC. 5. A company to be admitted to membership in this League must first deliver to the Secretary of the League a written application signed by its President and Secretary, accompanied by documents showing that such company is regularly organized, chartered and officered, and is prepared to fully comply with the provisions of Section 4 of this Constitution. SEC. 22. The Board shall adopt such regulations and such rules of procedure for the hearing and determination of all disputes, and complaints brought before it. Where such dispute is in relation to a game alleged to have been played in violation of this Constitution or of the Playing Rules, the complaint and accompanying proofs must be filed within five days after the date of said game with the President of the Board, who shall send a copy of the same to the other clubs, with orders to file its answer within five days thereafter. The President of the Board shall in the first instance decide the dispute on its merits and forthwith communicate his decision to both clubs, either of which may within five days appeal from said decision to the full Board. Said decision, together with all other documents and proofs, shall thereupon be transmitted for a mail vote to the different members of the Board. The finding of the Board shall be final, and under no circumstances shall be recon-

sidered, reopened or inquired into, either by the League or any subsequent Board.

SEC. 23. The Board shall at once consider any complaint preferred by a club against a manager or player of another club (prior to the expiration of the championship season) for conduct in violation of any provision of this Constitution, or prejudicial to the good repute of the game of base ball and shall have power to require the club, to which such player or manager may belong, to discipline him, and upon repetition of such offense to expel him. Provided, that such complaint be preferred in writing, giving such particulars as may enable the Board to ascertain all the facts, and such particulars shall be transmitted to the Secretary, by whom it shall at once be referred to the Board. In all cases where charges are preferred by any regularly appointed League umpire against any player for violation of the Playing Rules or for conduct on the ball field prejudicial to the good repute of the game of base ball, the President shall have the sole jurisdiction to pass upon said charges and inflict penalties, if any, subject only to the restriction that in no case where expulsion is fixed shall same be put into effect until ratified by the Board of Directors.

SEC. 24. In case a player, under contract with a League club, shall, during a current season, prefer a complaint in writing to the Secretary of the League against such a club, alleging that such club is in arrears to him for salary for more than fifteen days after such salary became due on account of such contract, the Secretary shall at once transmit to the said club a copy of such complaint, and require an answer thereto. On receipt of such answer, or if five days shall have elapsed without receipt of an answer, the Secretary shall refer the papers in the case to the Board of Directors, and should the Board find the player's complaint sustained, it shall require the club, under penalty of forfeiture of its membership, to pay to the player forthwith the full amount ascertained to be due him. Provided, that should the player refuse to serve the club pending action by the Board on his complaint, he will thereby forfeit the benefits of the award, and in such case the Board shall revoke his award.

SEC. 25. The Board shall promptly hear an appeal made by any person who shall have been expelled, suspended or disciplined by his club, except in cases of expulsion as provided in Section 38. Such person shall, within

thirty days after the date of the expulsion, suspension or discipline, file with the Secretary a written statement of his defense, accompanied by a request that an appeal be allowed him. The Secretary shall notify the club of the request for an appeal, accompanying such notice with a copy of the appeal; and at the next meeting of the Board the club, by its duly authorized representative, and the appellant in person, by attorney or by written statement, shall appear before the Board with their testimony. The Board shall impartially hear the matter and render its decision which shall be final and forever binding on both club and player.

SEC. 26. Any player under contract or reservation who may consider himself unjustly treated or wronged by his club shall have the right to submit his case to the President of the League, who shall, after soliciting evidence concerning the matter, present the same to the Board for hearing, recommendation or adjudication. The Board shall have authority to impose any just fine or pecuniary penalty on a club, a manager or a player, if warranted by its findings and decisions, and it may impose the expenses of trials and hearings on one or both parties to the controversy. But such fine, penalty and expenses may be remitted by a three-fourths vote of the League upon appeal duly made and heard at an annual or special meeting.

Individual Club Control.

SEC. 27. Each club shall have the right to regulate its own affairs, excepting as herein otherwise provided, or as the League may from time to time determine, and, in doing so, shall have the right to establish its own rules and to discipline, punish, suspend or expel its own manager, players or other employees, and these powers shall not be limited to cases of dishonest play or open insubordination, but shall include all questions of carelessness, indifference or other conduct of the player that may be regarded by the club as prejudicial to its interest, and not in conflict with any provision of this Constitution, or the Playing Rules of this League.

Punishment of Scandalous Conduct.

SEC. 28. The President of the League shall have power, upon proper proof, to suspend for a definite period and to impose a fine not exceeding \$200 upon any League manager or player guilty, in public, of gross misbehavior,

including intoxication, fighting, quarreling, indecency or other scandalous conduct, whether on or off the playing field, during the season, where the same is, in his opinion, calculated to bring disrepute upon the National League or National Game. Such fine can only be remitted by the Board of Directors after a hearing upon appeal duly prosecuted.

Club Territorial Rights.

SEC. 29. Every club of this League shall have exclusive control of the city in which it is located, and of the territory surrounding such city, to the extent of five miles in every direction from its corporate limits, and no visiting League club shall, under any circumstances, be allowed to play any club in such territory other than the League club therein located, without the consent of the local League club.

Reservation of Players

SEC. 30. Each club a member of this League shall be entitled to the right of reservation. On or before the 20th day of September in each year each club shall transmit to the Secretary a reserve list of the players whose services it desires to retain for the ensuing season, and who are then under contract to the said club for the current or for any succeeding season or seasons, and in addition thereto the names of such players reserved in any prior annual list who have refused to contract with said club. Such players, together with all others thereafter to be regularly contracted with, namely, players who have been secured by purchase or draft under the National Agreement for future services, shall be ineligible to contract with any other club in this League except as hereinafter provided. No club shall have the right to reserve more than thirty-five players, exclusive of ineligible players, and no club shall have the right to retain more than twenty-five players, exclusive of ineligible players (see Rule 33, National Commission), from May 15th to August 20th.

1. The Secretary shall promulgate such lists on or before September 25th of each year.

2. No club shall have the right to reserve any player when in arrears of salary to him.

3. No release of a player shall be promulgated by the President of the League without the approval of the President of the releasing club.

4. A failure to forward a contract to a player under

reservation on or before the first of March each year shall act as a release of the player.

Negotiating for Services.

SEC. 31. No player, without the consent of the club with which he is under contract or reservation, shall enter into negotiations with any other club for future services.

Contracts.

SEC. 32. Contracts made between a club and its players may be either by telegram or writing, to be followed within ten days thereafter by a contract in the form approved and promulgated by the President to all the clubs of the League.

SEC. 33. *The League shall adopt such form of contract as may be prescribed by the National Commission for the protection of the rights of the parties thereto. All contracts must be approved by the President and duly promulgated by him. Whenever a club serves notice on a player that his contract will be terminated in ten days, it shall immediately notify by wire the President of the League, who shall at once notify the other seven clubs. A failure to comply with this provision shall subject the club failing to a fine to be fixed by the Board of Directors; the fine to be not less than \$25.00; and in a case where a violation of this section results in the loss of the player to the National League it shall be at an amount commensurate with the player's ability. For a period of ten days after notice of release is served on a National League player any other club shall have the right to claim without cost the player released and to negotiate for his services, and the player shall be ineligible to contract with a club of another league. A club desiring to release a player to a club of another league shall ask for permission through the President of the League, who shall ask for waivers from the other seven clubs. Upon a failure to reply to such request within five days during the championship season and ten days at all other times, the President shall notify the requesting club that permission to release is granted. If any club shall refuse by mail or wire to waive claim then the following rules shall apply:*

1. If the player sought to be released be a drafted player, then the draft price shall be paid by the club refusing to waive.

2. For any other player the price shall be fixed by the President of the League, provided that the amount so fixed shall not exceed \$1,500, and provided also that if the draft price or the amount named by the President is not acceptable to the requesting club, or for any other reason, the request for waivers may be withdrawn; said withdrawal must be made within two days after notice by the President that privilege of release has not been allowed.

3. The President shall determine by lot in case two or more clubs refuse to waive.

4. Refusal to waive must be followed by check upon notification of the amount by the President of the League.

5. Waivers secured between playing seasons expire ten days after the opening of the championship season.

6. Waivers secured during the championship season expire thirty days after notice of request by the President of the League.

7. No player shall be released during the five-day waiver period.

Suspension and Expulsion of Players.

SEC. 34. Any player, while under contract with, or reservation by, a League club, who shall without the consent of such club, enter the service of any other club in any capacity, shall be liable to expulsion by said League club. Whenever a club suspends or expels a manager or player, that club shall at once notify the Secretary of this League, stating the date when the same takes effect, and in case of suspension or expulsion, the cause thereof.

SEC. 35. No manager or player, who has been suspended or expelled from a League club, shall at any time thereafter be allowed to play with, or serve in any capacity, any League club (either the one expelling him or any other) unless the term of suspension by the club has expired, or upon his appeal to this League, such expulsion or suspension shall have been set aside.

Effect of Club Disbandment.

SEC. 36. The disbandment of a League club, or its withdrawal from or loss of League membership, shall operate as a release of its players from contract and reservation with said club, but the right to contract with and reserve said players shall revert to the League, and they shall be subject to transfer to such other club as the League may designate after acceptance of their said services.

Playing with Outside Clubs.

SEC. 37. No game of base ball shall be played between a League club and any other club that has been expelled from membership in this League. No game of ball shall be played between a League club and any other club employing or presenting in its nine a player expelled, or under suspension from the League, or otherwise rendered ineligible by this League or a club member thereof.

Crookedness and its Penalties.

SEC. 38. Any person who shall be proven guilty of offering, agreeing, conspiring or attempting to cause any game of ball to result otherwise than on its merits under the Playing Rules, shall be forever disqualified by the President of the League from acting as umpire, manager, player or in any other capacity in any game of ball participated in by a League club.

Umpires.

SEC. 39. A staff of League umpires shall be selected by the President before the opening of the regular season.

1. Applicant for the position of umpire must state age, residence, experience, habits and such other qualifications as may be prescribed on forms prepared by the President, which must have the endorsement of those who from skilled and personal knowledge can recommend the applicant for the position.

Independent of such endorsements, however, the President shall make inquiries and inform himself, as far as practicable, as to the merits and qualifications of each applicant.

2. They shall be paid such salaries and allowed such expenses as may be mutually agreed upon by contract between them and the President of the League, subject to the approval of the Board of Directors of the League.

3. In the event of the failure of an umpire to umpire a game assigned to him it shall be the duty of the President to provide a substitute to umpire such game; and in such case there shall be deducted from the next payment to the umpire *one day's pay for each assignment* which for any reason he shall have failed to umpire.

4. It shall be the duty of each League club to accept as umpire for any championship game such umpire or substitute as the President shall assign to such game. In the

event of the non-appearance of the League umpire or substitute at the hour appointed for the beginning of the game each club captain shall then select one of the substitute players of the opposing club, and the two players thus selected shall be the duly authorized umpires for that game.

5. It shall be the duty of umpires to enforce the rules as they are written, regardless of personal opinion as to their merits, subject to the President's instructions as to their proper interpretation. They shall familiarize themselves with these sections of the Constitution, obey all orders of the President, assigning their services and wear such uniform on the playing field as he may designate.

Supervision of Umpires.

SEC. 40. All complaints against umpires shall be submitted in writing or by telegraph to the President, who shall take such steps as he may deem proper (governed by the gravity of the charges) to ascertain as to the competency of the umpire complained of and to verify, if possible, by his own personal observation as to his merits or demerits. If the complaint be for a wilful violation of this Constitution, or of the Playing Rules or for neglect or refusal to enforce any of said rules or for any improper or ungentlemanly language or conduct while officiating as an umpire, and if upon investigation it be substantiated, the President shall have the right to fine, remove, suspend or expel the offender, as in his judgment the offense may justify.

Committees.

SEC. 41. At each annual meeting of the League the President shall appoint a committee of three on Playing Rules, a committee of three on Schedule and a committee of three on Constitutional Amendments.

The Championship.

SEC. 42. The Championship of this League shall be contended for yearly by the clubs composing it.

SEC. 43. The championship season shall extend from such date in April to such date in October as the League may determine at its stated or special meeting.

SEC. 44. Every game played between two clubs from the commencement of the championship season to the completion of the championship series between such clubs

shall be a game for the championship, and no League club shall lend or exchange players to or with each other for any game played during the championship season. Any violation of this section shall subject each offender to a fine of \$100.

SEC. 45. Each club shall play twenty-two or more championship games with every other club in the League. A tie game, or a game prevented by rain or other causes, shall be played off on the same ground on which scheduled during the same or any subsequent series, the date to be optional with the home club. Provided, that the date for playing off such postponed or tie game must be at once fixed by the home club; the visiting club and President of the League to be notified of such date before eight o'clock P. M., of day such postponement or tie occurs; and in event date for such play-off be fixed for the next day of the same series, the home club shall also notify the umpire or umpires then officiating in that city. If, however, all of the series of games scheduled on any ground have been ended, and any such game remains unplayed, then such game shall, if possible, be played off on the ground of the opposite club on a date to be determined by said club.

SEC. 46. Each club shall have half of the championship series of games with every other club played on its grounds, except as otherwise provided in Section 45; and in all the details of such games, that do not involve the rights of the visiting club under the Playing Rules, but relate solely to such games as attractive exhibitions to the patrons of the home club, the visiting club shall defer to the wishes of the home club; provided, nevertheless, that the home club shall not be permitted to change the usual hour for the commencement of scheduled games in its particular city more than thirty (30) minutes without first having obtained the consent of the visiting club thereto, under a penalty to the visiting club of \$500. The visiting club shall furnish to a person designated by the home club the batting order of its nine by 10 o'clock on the morning of the day of each game, or the evening previous, if requested. In case of the failure of any visiting club to furnish the batting order of its nine as herein stipulated, it shall forfeit the sum of \$10, which amount shall be immediately transmitted to the Secretary of the League, upon the receipt of notice from him of the infliction of such fine, which notice shall be given by the Secretary upon receipt of complaint from the home club.

It shall be the duty of the home club to furnish the manager and captain of the visiting club with a list of the batting order before the commencement of the game under similar penalties for default as herein prescribed. The visiting club shall have the right to practice its nine on the grounds of the home club between 11 and 12 o'clock A. M. on each day of its visit during the championship season.

The Championship Schedule.

SEC. 47. All championship games shall be arranged in a written schedule prepared by the Schedule Committee, and reported to and adopted by the League by a three-fourths vote before the beginning of the championship season. The schedule shall provide for an equal number of return games, and shall specify the date of each game and the date of each series of games. No date in said schedule shall subsequently be changed, except (1) by written agreement of two clubs from a date fixed by the schedule for a game between such clubs to an open date on the same ground; or (2) as provided in Section 45; or (3) by the written consent of three-fourths of all the League clubs.

Any club or clubs violating this section shall be amenable to a penalty of \$1,000. Said penalty to be paid within forty-eight hours to the Treasurer of the League, or if not so paid to be withheld from any funds to their credit in the hands of the Treasurer. All games played in violation of this section shall not count in the championship series.

The Admission Fees and Receipts.

SEC. 48. The general admission fee to all championship games shall be fifty (50) cents, but each club shall designate a part of its grounds, and provide seats thereon, the admission fee to which shall be twenty-five (25) cents, and all division of percentages shall be made on the basis of fifty (50) cents, except as to that part of the grounds the admission fee to which is fixed at twenty-five (25) cents, and as to such part of said grounds all divisions of percentage shall be on the basis of twenty-five (25) cents.

At the conclusion of each championship game the home club shall deliver to the manager of the visiting club (and shall transmit by mail to the President or other designated officials of the visiting club a duplicate of the same) a statement of the receipts of said game, which must include all fifty-cent and twenty-five cent admissions, and shall pay to the visiting club fifty per centum of said receipts.

The Ball Park.

SEC. 49. Each park shall be provided with a sufficient number of exits and entrances for the accommodation of the public, and a separate entrance shall be maintained for the convenience of the press representatives and those entitled to the courtesies of the grounds.

1. Additional entrances may be opened upon holidays, but for such days the visiting club shall be given at least ten days' notice of the whole number and their location.

2. Emergency gates may be opened at any time by consent of the visiting club, if occasion requires.

3. Each park shall also be provided with proper and suitable dressing room or rooms for visiting players, the same to be supplied with toilet conveniences, hot and cold water, and shower baths, and to contain twenty suitable lockers for such players. Such dressing rooms to be properly heated and cared for, and made subject to the control during the occupancy thereof of the players of the visiting club. The penalty for failure to provide and maintain such dressing rooms shall be twenty-five dollars (\$25.00) for each day of failure to provide the same according to this rule, the same to be assessed and collected by the Secretary of the League upon complaint of the visiting club.

4. A visiting club shall not be permitted to convey its players, to or from the grounds of any other club, in uniform unless special permission therefor has been first granted by the President of the League, or some great emergency arises to warrant it. A violation of this rule shall be punishable by the infliction of a fine of fifty dollars for each day the rule is violated.

The Turnstile Count.

SEC. 50. The number of persons admitted to the grounds shall be determined by the use of the necessary number of self-registering turnstiles, the arms of which shall extend within four inches of a dividing partition, the keys of which shall be delivered to the agent of the visiting club before the opening of the grounds for each game; and said agent of the visiting club shall have full access to such turnstile, and the box of such turnstile shall not be removed until after the close of the seventh inning, and in case a carriage gate is used a ticket for each person admitted through such gate shall at once be delivered to the agent of the visiting club. The visiting club shall have

the right to accept the turnstile count for each and all games, or to count all tickets. Each club shall be required to use for its business tickets, with rain checks attached, which have been approved by the League and which can be readily counted. At the conclusion of each game the visiting club shall receive a copy of the ticket sale statement.

Special Entrance.

SEC. 51. No person shall be admitted free to a championship game, except players and officers of contesting clubs, umpires, policemen in uniform, necessary employes of the home club, representatives of the press and such invited guests as the President of the home club may deem proper to recognize, all of whom must pass through a self-registering turnstile at the special entrance provided for the press, and said turnstile shall be subject to the same right of inspection by the visiting club that is provided in all other entrances.

1. It shall be the duty of the President of the League to inspect all ball parks from time to time, and to report to the Board of Directors any failure to comply with this or any other section of the Constitution.

Stopping Play to Catch Trains.

SEC. 52. On any day when either club is required to leave a city to, or in order to reach another city in time, where it is scheduled to play its next game, the home club shall be compelled, upon proper notice by the visiting club, to begin the game three hours and a half before the time of the departure of the last train by means of which either club can reach next scheduled point in time. And either club may leave the field at any time within one hour of said train time without forfeiting any rights or privileges, provided five innings on each side have been played, and the umpire shall be the sole judge of the time.

Rain Checks.

SEC. 53. In the event of a game being stopped by rain or declared forfeited before completion of five innings, the visiting club shall not be entitled to its percentage of receipts.

Forfeited Games.

SEC. 54. A club shall be entitled to forfeited games—to count in its series as games won by a score of nine

runs to none—in case where the umpire in any championship game shall award the game to such club on account of the violation by the contesting club of any section of this Constitution or of any playing rules. In the event of a forfeiture for any reason, the forfeiting club shall incur such penalty not exceeding one thousand dollars as may be imposed by the Board of Directors after a hearing held within one week from the date of such game, and any damages suffered by the non-offending club shall be paid out of such penalty. In addition to the penalty above referred to, the captain or manager, or the person in charge of the offending team and responsible for the team leaving the field, shall incur a penalty of one hundred dollars, which shall be paid within five days to the Secretary of the League, said penalty not to be remitted under any circumstances. In case such penalties are not paid within ten days after being imposed, the club and player cannot participate in a championship game.

Drawn Games.

SEC. 55. Drawn, tie and postponed games shall not count in the series as games (but any game of not less than five innings shall be included in the averages), but must be played off, if possible, as provided in Section 45. If they cannot be played off, as therein provided, they may subsequently be played off, if sufficient time exists before the close of the season.

Double games for one admission shall not be permitted unless previously scheduled as such or rendered compulsory by the playing off of postponed games, as provided in Section 45.

Winning the Pennant.

SEC. 56. The club which shall have won the greatest percentage of games in the championship series, shall be declared the champion club of *this League* for the season in which such games were played. In the event that two or more clubs shall have won the same percentage of games, then the Board shall at once arrange a special series of three games between any two of such clubs, such games to be played at the close of the championship season, and the games so played shall be included in the championship record, and counted in determining the award of the championship. In such case only the provisions of this Constitution prohibiting the playing or re-

cording as championship games, games played after the expiration of the championship season, shall have no effect. The emblem of the championship shall be a pennant (of the National colors) to cost not less than one hundred dollars (\$100). It shall be inscribed with the motto, "Champion Base Ball Club of the *National League*," with the name of the club and the year in which the title was won, and the champion club shall be entitled to fly the pennant until the close of the ensuing year.

Deciding the Championship.

SEC. 57. The championship shall be decided in the following manner: Within twenty-four hours after every match game played for the championship, the *official scorer of the home club* shall prepare and forward to the Secretary of the League a statement containing the full score of the game, according to the system specified in the Playing Rules, together with the date, the place where played, the name of the clubs and umpires; provided, that no tie or drawn game shall be considered a game for any purpose except the averages; and provided, further, that in any case where the Secretary shall not receive the score of a championship game within five days after the playing of such game, the club whose duty it is to forward such score shall pay to the League the sum of \$2 as the penalty of such default.

At the close of the season the Secretary shall prepare a tabular statement of the games won and lost by each club, according to the statement so sent him, which statement shall be the sole evidence in the matter, and submit the same, with the statement so sent him, to the Board, which shall make the award in writing, and report the same to the League at its annual meeting.

In making the award the Board shall consider:

1. The tabular statement of the Secretary.
 2. Forfeited games.
 3. Games participated in by clubs which have withdrawn, disbanded or forfeited their membership without completing their championship series with all other League clubs, such games shall be counted to the following extent:
- The Board shall ascertain the least number of championship games played by such club with any club remaining in the League, and shall from the first game participated in during the championship series by such retired

club, count in the series of each League club a similar number of games, and all other games participated in by such retired club shall not be counted in the championship series. Provided, that if such retired club shall have failed to play at least one championship game with every League club, all games participated in by it shall be thrown out entirely.

Meetings.

SEC. 58. The annual meeting of the League shall be held on the second Tuesday in December of each year at two o'clock P. M. in New York City. Adjourned meetings of the annual meeting may be held at other places and at such times as shall be determined by resolution of the National League or its Board of Directors from time to time. *The schedule meeting shall be held annually in New York City on such date in February as the President of the League may determine, ten days' notice of which must be given to the club members.*

SEC. 59. Special meetings may be called by the President of the League on his own option or on the written call of six clubs, or a majority of the Board of Directors, at such times and places as they may from time to time determine.

Club Representation.

SEC. 60. At such meeting each club shall be represented and shall be entitled to two representatives, and to have in addition thereto any of its officers or ex-officers present at such meetings; but no club shall be permitted to send as a representative any person under contract or engagement as a ball player or manager, and belonging to said club in such capacity. They shall, if requested by any other club representative, present a certificate of their appointment duly attested by at least two officers of their club showing their authority to act, but no club shall have more than one vote.

Executive Session.

SEC. 61. This League may, upon a majority vote of its members, elect to go into executive session for the transaction of its business, and during such session no club shall be entitled to more than two representatives.

Quorum.

SEC. 62. A representation of a majority of clubs shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time until a quorum is obtained. When obtained it may be maintained by locking the doors of the meeting room, the appointment of doorkeepers and such other procedures usual in parliamentary bodies to maintain quorums and dispatch business.

Order of Business.

SEC. 63. The following shall be the order of business unless suspended by a three-fourths vote of the club members:

1. Reading minutes of last meeting.
2. Report of Board of Directors.

(2) Any section of this Constitution may be suspended or its provision made non-applicable by unanimous vote at a League meeting.

The Foul Lines.

- RULE 4.** From the intersection point, F, continue the straight lines F G and F H until they intersect the lines L M and L O, and then from the points G and H in the opposite direction until they reach the boundary lines of the ground, and said lines shall be clearly visible from any part of the diamond, and no wood or other hard substance shall be used in the construction of such lines.

The Players' Lines.

- RULE 5.** With F as center and 50 feet radius, describe arcs cutting lines F O and F M at P and Q; then, with F as center again and 75 feet radius, describe arcs cutting F G and F H at R and S; then, from the points P, Q, R and S draw lines at right angles to the lines F O, F M, F G and F H, and continue the same until they intersect at the points T and W.

The Coachers' Lines.

- RULE 6.** With R and S as centers and 15 feet radius, describe arcs cutting the lines R W and S T at X and Y and from the points X and Y draw lines parallel with the lines F H and F G, and continue same out to the boundary lines of the ground.

The Three-Foot Line.

- RULE 7.** With F as a center and 45 feet radius, describe an arc cutting the line F G at 1, and from 1 to the distance of three feet draw a line at right angles to F G, and marked point 2; then from point 2, draw a line parallel with the line F G to a point three feet beyond the point G, marked 3; then from the point 3 draw a line at right angles to line 2, 3, back to and intersecting with F G, and from thence back along the line G F to point 1.

The Batsman's Lines.

- RULE 8.** On either side of the line A F B describe two parallelograms six feet long and four feet wide (marked 8 and 9), their longest side being parallel with the line A F B, their distance apart being six inches added to each end of the length of the diagonal of the square within the angle F, and the center of their length being on said diagonal.

The Pitcher's Plate.

RULE 9. SECTION 1. With point F as center and 60.5 feet as radius, describe an arc cutting the line F B at line 4, and draw a line 5, 6, passing through point 4 and extending 12 inches on either side of line F B; then with line 5, 6, as a side, describe a parallelogram 24 inches by 6 inches, in which shall be located the pitcher's plate.

SEC. 2. The pitcher's plate shall not be more than 15 inches higher than the base lines or the home plate, which shall be level with the surface of the field, and the slope from the pitcher's plate to every base line and the home plate shall be gradual.

The Bases.

RULE 10. SECTION 1. Within the angle F, describe a five-sided figure, two of the sides of which shall coincide with the lines F G and F H to the extent of 12 inches each, thence parallel with the line F B $8\frac{1}{2}$ inches to the points X and Y, a straight line between which, 17 inches, will form the front of the home base or plate.

SEC. 2. Within the angles at G, I and H describe squares, whose sides are 15 inches in length, two of such sides of which squares shall lie along the lines F G and G I, G I and I H, I H and H F, which squares shall be the location of the first, second and third bases respectively.

RULE 11. The Home Base at F and the Pitcher's Plate at 4 must each be of whitened rubber, and so fixed in the ground as to be even with its surface.

RULE 12. The First Base at G, the Second Base at E, and the Third Base at H must each be a white canvas bag filled with soft material and securely fastened in place at the points specified in Rule 10.

RULE 13. The lines described in Rules 3, 4, 5, 6, 7, and 8 must be marked with lime, chalk or other white material, easily distinguishable from the ground or grass.

The Ball.

RULE 14. **SECTION 1.** The ball must weigh not less than five nor more than five and one-quarter ounces avoirdupois, and measure not less than nine nor more than nine and one-quarter inches in circumference. The Spalding National League Ball or the Reach American League Ball must be used in all games played under these rules.

SEC. 2. Two regulation balls of the make adopted by the league of which the contesting clubs are members, shall be delivered by the home club to the umpire at or before the hour for the commencement of a championship game. If the ball placed in play be batted or thrown out of the grounds or into one of the stands for spectators or in the judgment of the umpire, become unfit for play from any cause, the umpire shall at once deliver the alternate ball to the pitcher and another legal ball shall be supplied to him, so that he shall at all times have in his control one or more alternate balls. Provided, however, that all balls batted or thrown out of the ground or into a stand shall when returned to the field be given into the custody of the umpire immediately and become alternate balls and so long as he has in his possession two or more alternate balls, he shall not call for a new ball to replace one that has gone out of play. The alternate balls shall become the ball in play in the order in which they were delivered to the umpire.

SEC. 3. Immediately upon the delivery to him of the alternate ball by the umpire, the pitcher shall take his position and on the call of "Play," by the umpire, it shall become the ball in play. Provided, however, that play shall not be resumed with the alternate ball when a fair batted ball or a ball thrown by a fielder goes out of the ground or into a stand for spectators until the base-runners have completed the circuit of the bases unless compelled to stop at second or third base in compliance with a ground rule.

The Spalding League Ball has been adopted by the National League for the last thirty-three years and is used in all the League contests. It has also been adopted by the majority of other professional leagues and by practically all the colleges.

For junior clubs (clubs composed of boys under 16 years of age) we recommend them to use the Spalding Boys' League Ball, and that games played by junior clubs with this ball will count as legal games the same as if played with the Official League Ball.

Discolored or Damaged Balls.

SEC. 4. In the event of a ball being intentionally discolored by rubbing it with the soil or otherwise by any player, or otherwise damaged by any player, the umpire shall forthwith demand the return of that ball and substitute for it another legal ball, as hereinbefore described, and impose a fine of \$5.00 on the offending player.

Home Club to Provide Balls.

SEC. 5. In every game the balls played with shall be furnished by the home club, and the last in play shall become the property of the winning club. Each ball shall be enclosed in a paper box, which must be sealed with the seal of the President of the League and bear his certificate that he has examined, measured and weighed the ball contained therein and that it is of the required standard in all respects. The seal shall not be broken by the umpire except in the presence of the captains of the contesting teams after "Play" has been called.

Reserve Balls on Field.

SEC. 6. The home club shall have at least a dozen regulation balls on the field during each championship game, ready for use on the call of the umpire.

Positions of the Players.

RULE 17. The players of the team not at bat may be stationed at any points of the field on fair ground their captain may elect, regardless of their respective positions, except that the pitcher, while in the act of delivering the ball to the bat must take

his position as defined in Rules 9 and 30; and the catcher must be within the lines of his position, as defined in Rule 3, and within 10 feet of home base, whenever the pitcher delivers the ball to the bat.

Must Not Mingle With Spectators.

- RULE 18.** Players in uniform shall not be permitted to occupy seats in the stands, or to mingle with the spectators.

Uniforms of Players.

- RULE 19.** Every club shall adopt two uniforms for its players, one to be worn in games at home and the other in games abroad, and the suits of each of the uniforms of a team shall conform in color and style. - RULE 21.** SECTION I. Players' benches must be furnished by the home club and placed upon a portion of the ground not less than twenty-five (25) feet outside of the players' lines. One such bench shall be for the exclusive use of the visiting team and the other for the exclusive use of the home team. Each bench must be covered with a roof and closed at the back and each end; a space, however, not more than six (6) inches wide may be left under the roof for ventilation. All players and substitutes of the side at bat must be seated on their team's bench, except the batsman, baserunners and such as are legally assigned to coach baserunners. Under no circumstances shall the umpire permit any person except the players and substitutes in uniform and the manager of the team entitled to its exclusive use to be seated on a bench,

Penalty for Violation.

SEC. 2. Whenever the umpire observes a violation of the preceding section, he shall immediately order such player or players as have disregarded it to be seated. If the order be not obeyed within one minute the offending player or players shall be fined \$5.00 each by the umpire. If the order be not then obeyed within one minute, the offending player or players shall be debarred from further participation in the game, and shall be obliged to forthwith leave the playing field.

A Regulation Game.

Every championship game must be commenced not later than two hours before sunset and shall continue until each team has had nine innings, provided, however, that the game shall terminate:

SECTION 1. If the side first at bat scores less runs in nine innings than the other side has scored in eight innings.

SEC. 2. If the side last at bat in the ninth inning scores the winning run before the third man is out.

SEC. 3. If the game be called by the umpire on account of darkness, rain, fire, panic, or for other cause which puts patrons or players in peril.

If the score be a tie at the end of nine

Drawn Games.

A drawn game shall be declared by the
RULE 24. umpire if the score is equal on the last even inning played when he terminates play in accordance with Rule 22, Section 3, after five or more equal innings have been played by each team. But if the side that went second to bat is at the bat when the game is terminated, and has scored the same number of runs as the other side, the umpire shall declare the game drawn without regard to the score of the last equal inning.

Called Games.

RULE 25. If the umpire calls a game in accordance with Rule 22, Section 3, at any time after five innings have been completed, the score shall be that of the last equal innings played, except that if the side second at bat shall have scored in an unequal number of innings, or before the completion of the unfinished inning, at least one run more than the side first at bat, the score of the game shall be the total number of runs each team has made.

Forfeited Games.

RULE 26. A forfeited game shall be declared by the umpire in favor of the club not in fault, in the following cases:

SECTION 1. If the team of a club fail to appear upon the field, or being upon the field, refuse to begin a game for which it is scheduled or assigned, within five minutes after the umpire has called "Play" at the hour for the beginning of the game, unless such delay in appearing, or in commencing the game, be unavoidable.

SEC. 2. If, after the game has begun, one side refuse to continue to play, unless the game has been suspended or terminated by the umpire.

SEC. 3. If, after play has been suspended by the umpire, one side fails to resume playing in one minute after the umpire has called "Play."

SEC. 4. If a team employ tactics palpably designed to delay the game.

SEC. 5. If, after warning by the umpire, any one of the rules of the game be wilfully and persistently violated.

SEC. 6. If the order for the removal of a player, as authorized by Rules 21, 58 and 67, be not obeyed within one minute.

SEC. 7. If, because of the removal of players from the game by the umpire, or for any cause, there be less than nine players on either team.

SEC. 8. *If, after the game has been suspended on account of rain, the orders of the umpire are not complied with as required by Rule 29.*

SEC. 9. If, when two games are scheduled to be played in one afternoon, the second game be not commenced within ten minutes of the time of the completion of the first game. The umpire of the first game shall be the timekeeper.

SEC. 10. In case the umpire declare the game forfeited he shall transmit a written report thereof to the president of the League within twenty-four hours thereafter. However, a failure on the part of the umpire to so notify the president shall not affect the validity of his award of the game by forfeiture.

No Game.

RULE 27. "No game" shall be declared by the umpire if he terminates play in accordance with Rule 22, Sec. 3, before five innings are completed by each team. Provided, however, that if the club second at bat shall have made more runs at the end of its fourth inning than the club first at bat has made in five completed innings of a game so terminated, the umpire shall award the game to the club having made the greater number of runs, and it shall count as a legal game in the championship record.

Substitutes.

RULE 28. SECTION 1. Each side shall be required to have present on the field during a championship game a sufficient number of substitute players in uniform, conforming to the suits worn by their team-mates, to carry out the provisions of this code which requires that not less than nine players shall occupy the field in any inning of the game.

SEC. 2. Any such substitute may at any stage of the game take the place of a player whose name is in his team's batting order, but the player whom he succeeds shall not thereafter participate in that game.

SEC. 3. A base-runner shall not have another player whose name appears in the batting order of his team run for him except by the consent of the captain of the other team.

SEC. 4. *Whenever one player is substituted for another, whether as batsman, base runner or fielder, the captain of the side making the change must immediately notify the umpire, who in turn must announce the same to the spectators. A fine of \$5.00 shall be assessed by the umpire against the captain for each violation of this rule, and the President of the League shall impose a similar fine against the umpire who, after having been notified of a change, fails to make proper announcement. Play shall be suspended while announcement is being made, and the player substituted shall become actively engaged in the game*

immediately upon his captain's notice of the change to the umpire.

Choice of Innings—Fitness of Field for Play.

RULE 29. The choice of innings shall be given to the captain of the home club, who shall be the sole judge of the fitness of the ground for beginning a game after a rain; but, after play has been called by the umpire, he alone shall be the judge as to the fitness of the ground for resuming play after the game has been suspended on account of rain, and when time is so called the ground-keeper and sufficient assistants shall be under the control of the umpire for the purpose of putting the ground in proper shape for play, under penalty of forfeiture of the game by the home team.

THE PITCHING RULES.

Delivery of the Ball to the Bat.

RULE 30. Preliminary to pitching, the pitcher shall take his position facing the batsman with both feet squarely on the ground and in front of the pitcher's plate; and in the act of delivering the ball to the bat he must keep one foot in contact with the pitcher's plate defined in Rule 9. He shall not raise either foot until in the act of delivering the ball to the bat, nor make more than one step in such delivery.

A Fairly Delivered Ball.

RULE 31. A fairly delivered ball is a ball pitched or thrown to the bat by the pitcher while standing in his position and facing the batsman that passes over any portion of the home base, before touching the ground, not lower than the batsman's knee, nor higher than his shoulder. For every such fairly delivered ball the umpire shall call one strike.

An Unfairly Delivered Ball.

RULE 32. An unfairly delivered ball is a ball delivered to the bat by the pitcher while standing in his position and facing the batsman that does not pass over any portion of the home base between the batsman's shoulder and knees, or that touches the ground before passing home base, unless struck at by the batsman; *or, with the bases unoccupied, any ball delivered*

by the pitcher while either foot is not in contact with the pitcher's plate. For every unfairly delivered ball the umpire shall call one ball.

Delaying the Game.

RULE 33. SECTION 1. If, after the batsman be standing in his proper position ready to strike at a pitched ball, the ball be thrown by the pitcher to any player other than the catcher when in the catcher's lines and within 10 feet of the home base (except in an attempt to retire a base runner), each ball so thrown shall be called a ball.

SEC. 2. The umpire shall call a ball on the pitcher each time he delays the game by failing to deliver the ball to the batsman for a longer period than 20 seconds, excepting that at the commencement of each inning, or when a pitcher relieves another, the pitcher may occupy one minute in delivering not to exceed five balls to the catcher or an infielder, during which time play shall be suspended.

SEC. 3. In event of the pitcher being taken from his position by either manager or captain, the player substituted for him shall continue to pitch until the batsman then at bat has either been put out or has reached first base.

Balking.

A balk shall be:

RULE 34. SECTION 1. Any motion made by the pitcher while in position to deliver the ball to the bat without delivering it, or to throw to first base when occupied by a base runner without completing the throw.

SEC. 3. Any delivery of the ball to the bat by the pitcher while either foot is back of the pitcher's plate.

SEC. 4. Any delivery of the ball to the bat by the pitcher while he is not facing the batsman.

SEC. 5. Any motion in delivering the ball to the bat by the pitcher while not in the position defined by Rule 30.

SEC. 6. Holding of the ball by the pitcher so long as, in the opinion of the umpire, to unnecessarily delay the game.

SEC. 7. Making any motion to pitch while standing in his position without having the ball in his possession.

SEC. 8. Making any motion of the arm, shoulder, hip or body the pitcher habitually makes in his method of delivery, without immediately delivering the ball to the bat.

SEC. 9. Delivery of the ball to the bat when the catcher is standing outside the lines of the catcher's position as defined in Rule 3.

If the pitcher shall fail to comply with the requirements of any section of this rule, the umpire shall call a "balk."

Dead Ball.

A dead ball is a ball delivered to the bat by the pitcher, not struck at by the batsman, that touches any part of the batsman's person or clothing while he is standing in his position.

Ball Not in Play.

In case of an *illegally batted ball*, a *balk*, foul hit ball not legally caught, dead ball, interference with the fielder or batsman, or a fair hit ball *striking a base runner or umpire before touching a fielder*, the ball shall not be considered in play until it be held by the pitcher standing in his position, and the umpire shall have called "Play."

Block Balls.

SECTION 1. A block is a batted or thrown ball that is touched, stopped or handled by a person not engaged in the game.

SEC. 2. Whenever a block occurs the umpire shall declare it, and base runners may run the bases without liability to be put out until the ball has been returned to and held by the pitcher in his position.

SEC. 3. If the person not engaged in the game should retain possession of a blocked ball, or throw or kick it beyond the reach of the fielders, the umpire shall call "Time" and require each base runner to stop at the base last touched by him until the ball be returned to the pitcher in his position and the umpire shall have called "Play."

THE BATTING RULES.

The Batsman's Position.

Each player of the side at bat shall become the batsman and must take his position within the batsman's lines (as defined in Rule 8) in the order that his name appears in his team's batting list.

RULE 39. SECTION 1. The batting order of each team must be on the score card and must be delivered before the game by its captain to the umpire *at the home plate*, who shall submit it to the inspection of the captain of the other side. The batting order delivered to the umpire must be followed throughout the game unless a player be substituted for another, in which case the substitute must take the place in the batting order of the retired player.

Reserved for Umpire, Catcher and Batsman.

RULE 42. No player of the side "at bat," except the batsman, shall occupy any portion of the space within the catcher's lines as defined in Rule 3. The triangular space back of the home base is reserved for the exclusive use of the umpire, catcher and batsman, and the umpire must prohibit any player of the side "at bat" from crossing the same at any time while the ball is in the hands of the pitcher or catcher, or passing between them while standing in their positions.

Fielder Has Right of Way.

RULE 43. The players of the side at bat must speedily abandon their bench and hasten to another part of the field when by remaining upon or near it they or any of them would interfere

with a fielder in an attempt to catch or handle a thrown or a batted ball.

A Fair Hit.

RULE 44. A fair hit is a legally batted ball that settles on fair ground between home and first base or between home and third base or that is on fair ground when bounding to the outfield past first or third base or that first falls on fair territory beyond first or third base, or that, while on or over fair ground, touches the person of the umpire or a player.

Balls Batted Outside the Ground.

RULE 48. SECTION 1. When a batted ball passes outside the ground or into a stand the umpire shall decide it fair or foul according to where it disappears from the umpire's view.

SEC. 2. A fair batted ball that goes over the fence or into a stand shall entitle the batsman to a home run unless it should pass out of the ground or into a stand at a less distance than two hundred and thirty-five (235) feet from the home base, in which case the batsman shall be entitled to two bases only. The point at which a fence or stand is less than 235 feet from the home base shall be plainly

indicated by a white or black sign or mark for the umpire's guidance.

An Illegally Batted Ball.

When Batsman is Out.

The batsman is out:

RULE 51. SECTION 1. If he fail to take his position at the bat in the order in which his name appears on the batting list unless the error be discovered and the proper batsman replace him before he become a base runner, in which case, the balls and strikes called must be counted in the time "at bat" of the proper batsman. But only the proper batsman shall be declared out, and no runs shall be scored or bases run because of any act of the improper batsman. Provided, this rule shall not be enforced unless the out be declared before the ball be delivered to the succeeding batsman. Should the batsman declared out under this section be the third hand out and his side be thereby put out, the proper batsman in the next inning shall be the player who would have come to bat had the players been put out by ordinary play in the preceding inning.

SEC. 2. If he fail to take his position within one minute after the umpire has called for the batsman.

SEC. 3. If he make a foul hit other than a foul tip, as defined in Rule 46, and the ball be momentarily held by a fielder before touching the ground; provided, it be not caught in a fielder's cap, protector, pocket or other part of his uniform, or strike some object other than a fielder before being caught.

SEC. 9. If the third strike be called in accordance with Sections 4 or 5 of Rule 49.

SEC. 10. If he steps from one batsman's box to the other while the pitcher is in his position ready to pitch.

BASE RUNNING RULES.

Legal Order of Bases.

RULE 52. The Base Runner must touch each base in legal order, viz., First, Second, Third and Home Bases; and when obliged to return while the ball is in play, must retouch the base or bases in reverse order. He can only acquire the right to a base by touching it, before having been put out, and shall then be entitled to hold such base until he has legally touched the next base in order, or has been legally forced to vacate it for a succeeding base runner. However, no base runner shall score a run to count in the game ahead of the base runner preceding him in the batting order, if there be such preceding base runner who has not been put out in that inning.

SEC. 2. If the umpire awards to a succeeding batsman a base on four balls, or for being hit by a pitched ball, or being interfered with by the catcher in striking at a pitched ball and the base runner be thereby forced to vacate the base held by him.

SEC. 4. If a ball delivered by the pitcher pass the catcher and touch any fence or building within ninety (90) feet of the home base.

SEC. 7. *If the umpire declares the batsman or another base runner out for interference.*

SEC. 8. In any and all of these cases the base runner is not required to touch the intervening bases in returning to the base he is legally entitled to.

When Base Runners are Out.

The base runner is out:

RULE 56. SECTION 1. If, after three strikes have been declared against him while the batsman, the third strike ball be not legally caught and he plainly attempts to hinder the catcher from fielding the ball.

SEC. 2. If, having made a fair hit while batsman, such fair hit ball be momentarily held by a fielder before touching the ground or any object other than a fielder; provided, it be not caught in a fielder's hat, cap, protector, pocket or other part of his uniform.

SEC. 6. If, in running the last half of the distance from home base to first base, while the ball is being fielded to first base, he run outside the three foot lines, as defined in Rule 7, unless he do so to avoid a fielder attempting to field a batted ball.

SEC. 7. If, in running from first to second base, from second to third base, or from third to home base, he run more than three feet from a direct line between a base and the next one in regular or reverse order to avoid being touched by a ball in the hands of a fielder. But in case a fielder be occupying a base runner's proper path in attempting to field a batted ball, then the base runner shall run out of direct line to the next base and behind said fielder and shall not be declared out for so doing.

SEC. 8. If he fail to avoid a fielder attempting to field a batted ball, in the manner described in Sections 6 and 7 of this rule, or in any way obstruct a fielder in attempting to field a batted ball, or intentionally interfere with a thrown ball; provided, that if two or more fielders attempt to field a batted ball, and the base runner come in contact with one or more of them, the umpire shall determine which fielder is entitled to the benefit of this rule, and shall not decide the base runner out for coming in contact with a fielder other than the one the umpire determines to be entitled to field such batted ball.

SEC. 9. If at any time while the ball is in play, he be touched by the ball in the hands of a fielder, unless some part of his person be touching the base he is entitled to occupy; provided, however, that the ball be held by the fielder after touching him, unless the base runner deliberately knock it out of his hand.

SEC. 10. If, when a fair or foul hit ball (other than a foul tip as defined in Rule 46) be legally caught by a fielder, such ball be legally held by a fielder on the base occupied by the base runner when such ball was batted, or the base runner be touched with the ball in the hands of a fielder, before he retouch such base after such fair or

foul hit ball was so caught; provided, that the base runner shall not be out in such case, if, after the ball was legally caught as above, it be delivered to the bat by the pitcher before the fielder hold it on said base, or touch the base runner out with it; but if the base runner, in attempting to reach a base, detach it from its fastening before being touched or forced out, he shall be declared safe.

SEC. 11. If, when the batsman becomes a base runner, the first base, or the first and second bases, or the first, second and third bases be occupied, any base runner so occupying a base shall cease to be entitled to hold it, and may be put out at the next base in the same manner as in running to first base, or by being touched with the ball in the hands of a fielder at any time before any base runner following him in the batting order be put out, unless the umpire should decide the hit of the batsman to be an in-field fly.

SEC. 12. If a fair hit ball strike him before touching a fielder, and, in such case, no base shall be run unless necessitated by the batsman becoming a base runner, but no run shall be scored or any other base runner put out until the umpire puts the ball back into play.

SEC. 13. If, when advancing bases, or forced to return to a base, while the ball is in play, he fail to touch the intervening base or bases, if any, in the regular or reverse order, as the case may be, he may be put out by the ball being held by a fielder on any base he failed to touch, or by being touched by the ball in the hands of a fielder in the same manner as in running to first base; provided, that the base runner shall not be out in such case if the ball be delivered to the bat by the pitcher before the fielder hold it on said base or touch the base runner with it.

SEC. 14. If, when the umpire call "Play," after the suspension of a game, he fail to return to and touch the base he occupied when "Time" was called before touching the next base; provided, the base runner shall not be out, in such case, if the ball be delivered to the bat by the pitcher, before the fielder hold it on said base or touch the base runner with it.

SEC. 15. If with one or no one out and a base runner on third base, the batsman interferes with a play being made at home plate.

SEC. 16. If he pass a *preceding* base runner *before such runner has been legally put out* he shall be declared out immediately.

Overrunning First Base.

SEC. 17. The base runner in running to first base may overrun said base after touching it in passing without incurring liability to be out for being off said base, provided he return at once and retouch the base, after which he may be put out as at any other base. If, after overrunning first base, he attempt to run to second base, before returning to first base, he shall forfeit such exemption from liability to be put out.

SEC. 18. If, while third base is occupied, the coacher stationed near that base shall run in the direction of home base on or near the base line while a fielder is making or trying to make a play on a batted ball not caught on the fly, or on a thrown ball, and thereby draws a throw to home base, the base runner entitled to third base shall be declared out by the umpire for the coacher's interference with and prevention of the legitimate play.

SEC. 19. If one or more members of the team at bat stand or collect at or around a base for which a base runner is trying, thereby confusing the fielding side and adding to the difficulty of making such play, the base runner shall be declared out for the interference of his team mate or team mates.

When Umpire Shall Declare an Out.

THE umpire shall declare the batsman or base runner out, without waiting for an appeal for such decision, in all cases where such player be put out in accordance with any of these rules, except Sections 13 and 17 of Rule 56.

Coaching Rules.

THE coacher shall be restricted to coaching the base runner only, and shall not address remarks except to the base runner, and then only in words of assistance and direction in running bases. He shall not, by words or signs, incite or try to incite the spectators to demonstrations, and shall not use language which will in any manner refer to or reflect upon a player of the opposite club, the umpire or the spectators. Not more than two coaches, who must be players in the uniform of the team at bat, shall be allowed to occupy the space between the players' and the coaches' lines, one near first and the other near third base, to coach base runners. If there be more than the legal number of coach-

ers or this rule be violated in any respect the umpire must order the illegal coacher or coaches to the bench, and if his order be not obeyed within one minute, the umpire shall assess a fine of \$5.00 against each offending player, and upon a repetition of the offense, the offending player or players shall be debarred from further participation in the game, and shall leave the playing field forthwith.

The Scoring of Runs.

RULE 59. One run shall be scored every time a base runner, after having legally touched the first three bases, shall legally touch the home base before three men are put out; provided, however, that if he reach home on or during a play in which the third man be forced out or be put out before reaching first base, a run shall not count. A force-out can be made only when a base runner legally loses the right to the base he occupies by reason of the batsman becoming a base runner, and he is thereby obliged to advance.

UMPIRES AND THEIR DUTIES.

Power to Enforce Decisions.

RULE 60. The umpires are the representatives of the League and as such are authorized and required to enforce each section of this code. They shall have the power to order a player, captain or manager to do or omit to do any act which in their judgment is necessary to give force and effect to one or all of these rules, and to inflict penalties for violations of the rules as hereinafter prescribed. In order to define their respective duties, the umpire judging balls and strikes shall be designated as the "Umpire-in-Chief"; the umpire judging base decisions as the "Field Umpire."

The Umpire-in-Chief.

RULE 61. Section 1. The Umpire-in-Chief shall take position back of the catcher; he shall have full charge of and be responsible for the proper conduct of the game. With exception of the base decisions to be made by the Field Umpire, the Umpire-in-Chief shall render all the decisions that ordinarily would devolve upon a single umpire, and which are prescribed for "The Umpire" in these Playing Rules.

Sec. 2. He shall call and count as a "ball" any unfair ball delivered by the pitcher to the batsman. He shall also

call and count as a "strike" any fairly delivered ball which passes over any portion of the home base, and within the batsman's legal range as defined in Rule 31, whether struck at or not by the batsman; or a foul tip which is caught by the catcher standing within the lines of his position, within 10 feet of the home base; or which, after being struck at and not hit, strike the person of the batsman; or when the ball be bunted foul by the batsman; or any foul hit ball not caught on the fly unless the batsman has two strikes, provided, however, that a pitched ball shall not be called or counted a "ball" or "strike" by the umpire until it has passed the home plate.

Sec. 3. He shall render base decisions in the following instances: (1) If the ball is hit fair, with a runner on first, he must go to third base to take a possible decision; (2) with more than one base occupied, he shall decide whether or not a runner on third leaves that base before a fly ball is caught; (3) in case of a runner being caught between third and home, when more than one base is occupied, he shall make the decision on the runner nearest the home plate.

Sec. 4. The Umpire-in-Chief alone shall have authority to declare a game forfeited.

The Field Umpire.

Section 1. The Field Umpire shall take
RULE 62. *such positions on the playing field as in his judgment are best suited for the rendering of base decisions. He shall render all decisions at first base and second base, and all decisions at third base except those to be made by the Umpire-in-Chief in accordance with Sec. 3, Rule 61.*

Sec. 2. He shall aid the Umpire-in-Chief in every manner in enforcing the rules of the game and, with the exception of declaring a forfeiture, shall have equal authority with the Umpire-in-Chief in fining or removing from the game players who violate these rules.

No Appeal From Decisions Based on Umpire's Judgment.

There shall be no appeal from any de-
RULE 63. *cision of either umpire on the ground that he was not correct in his conclusion as to whether a batted ball was fair or foul, a base runner safe or out, a pitched ball a strike or ball, or on any other*

play involving accuracy of judgment, and no decision rendered by him shall be reversed, except that he be convinced that it is in violation of one of these rules. The captain shall alone have the right to protest against a decision and seek its reversal on a claim that it is in conflict with a section of these rules. *In case the captain does seek a reversal of a decision based solely on a point of rules, the umpire making the decision shall, if he is in doubt, ask his associate for information before acting on the captain's appeal. Under no circumstances shall either umpire criticise or interfere with a decision unless asked to do so by his associate.*

Duties of Single Umpire

RULE 64. If but one umpire be assigned, his duties and jurisdiction shall extend to all points, and he shall be permitted to take his stand in any part of the field that in his opinion will best enable him to discharge his duties.

Must Not Question Decisions.

RULE 65. Under no circumstances shall a captain or player dispute the accuracy of the umpire's judgment and decision on a play.

Clubs Can Not Change Umpires.

RULE 66. The umpire can not be changed during a championship game by the consent of the contesting clubs unless the official in charge of the field be incapacitated from service by injury or illness.

Penalties for Violations of the Rules.

RULE 67. **SECTION 1.** In all cases of violation of these rules, by either player or manager, the penalty shall be prompt removal of the offender from the game and grounds, followed by a period of such suspension from actual service in the club as the President of the League may fix. In the event of removal of player or manager by *either* umpire, he shall go direct to the club house and remain there during the progress of the game, or leave the grounds; and a failure to do so will warrant a forfeiture of the game by the *Umpire-in-Chief*.

Sec. 2. *The umpire shall assess a fine of \$5.00 against each offending player in the following cases: (1) If the player intentionally discolor or damage the ball; (2) if*

the player fail to be seated on his bench within one minute after ordered to do so by the umpire; (3) if the player violate the coaching rules and refuse to be seated on his bench within one minute after ordered to do so by the umpire; (4) if the captain fail to notify him when one player is substituted for another.

Sec. 3. In cases where substitute players show their disapproval of decisions by yelling from the bench, the umpire shall first give warning. If the yelling continues he shall fine each offender \$10.00, and if the disturbance is still persisted in he shall clear the bench of all substitute players; the captain of the team, however, to have the privilege of sending to the club house for such substitutes as are actually needed to replace players in the game.

Umpire to Report Violations of the Rules.

RULE 68. The umpire shall within twelve hours after fining or removing a player from the game, forward to the president a report of the penalty inflicted and the cause therefor.

RULE 69. Immediately upon being informed by the umpire that a fine has been imposed upon any manager, captain or player, the president shall notify the person so fined and also the club of which he is a member; and, in the event of the failure of the person so fined to pay to the secretary of the League the amount of said fine within five days after notice, he shall be debarred from participating in any championship game or from sitting on a player's bench during the progress of a championship game until such fine be paid.

RULE 70. When the offense of the player debarred from the game be of a flagrant nature, such as the use of obscene language or an assault upon a player or umpire, the umpire shall within four hours thereafter forward to the president of the League full particulars.

Warning to Captains.

RULE 71. The umpire shall notify both captains before the game, and in the presence of each other, that all the playing rules will be strictly and impartially enforced, and warn them that failure on their part to co-operate in such enforcement will result in offenders being fined, and, if necessary to preserve discipline, debarred from the game.

On Ground Rules.

SECTION 1. Before the commencement of
RULE 72. a game the umpire shall see that the rules governing all the materials of the game are strictly observed.

Sec. 2. In case of spectators overflowing on the playing field, the home captain shall make special ground rules to cover balls batted or thrown into the crowd, provided such rules be acceptable to the captain of the visiting club. If the latter object, then the umpire shall have full authority to make and enforce such special rules, and he shall announce the scope of same to the spectators.

Sec. 3. In all cases where there are no spectators on the playing field, and where a thrown ball goes into a stand for spectators, or over or through any fence surrounding the playing field, or into the players' bench (whether the ball rebounds into the field or not), the runner or runners shall be entitled to two bases. The umpire in awarding such bases shall be governed by the position of the runner or runners at the time the throw is made.

Sec. 4. The umpire shall also ascertain from the home captain whether any other special ground rules are necessary, and if there be he shall advise the opposing captain of their scope and see that each is duly enforced, provided they do not conflict with any of these rules and are acceptable to the captain of the visiting team.

Official Announcements.

The umpire shall call "Play" at the hour
RULE 73. appointed for the beginning of a game, announce "Time" at its legal interruption and declare "Game" at its legal termination. Prior to the commencement of the game he shall announce the batteries, and during the progress of the game shall announce each change of players. In case of an overflow crowd, he shall announce the special ground rules agreed upon, and he shall also make announcement of any agreement entered into by the two captains to stop play at a specified hour.

Suspension of Play.

The umpire shall suspend play for the following causes:
RULE 74.

1. If rain fall so heavily as in the judgment of the umpire to prevent continuing the game, in which case he shall note the time of suspension, and should

rain fall continuously for thirty minutes thereafter he shall terminate the game.

2. In case of an accident which incapacitates him or a player from service in the field, or in order to remove from the grounds any player or spectator who has violated the rules, or in case of fire, panic or other extraordinary circumstances.

3. In suspending play from any legal cause the umpire shall call "Time"; when he calls "Time," play shall be suspended until he calls "Play" again, and during the interim no player shall be put out, base be run or run be scored. "Time" shall not be called by the umpire until the ball be held by the pitcher while standing in his position.

Field Rules.

RULE 75. No person shall be allowed upon any part of the field during the progress of a game except the players in uniform, the manager of each side, the umpire, such officers of the law as may be present in uniform, and such watchmen of the home club as may be necessary to preserve the peace.

RULE 76. No manager, captain or player shall address the spectators during a game except in reply to a request for information about the progress or state of the game, *or to give the name of a player.*

RULE 77. Every club shall furnish sufficient police force to preserve order upon its own grounds, and in the event of a crowd entering the field during the progress of a game, and interfering with the play in any manner, the visiting club may refuse to play until the field be cleared. If the field be not cleared within 15 minutes thereafter, the visiting club may claim and shall be entitled to the game by a score of nine runs to none (no matter what number of innings has been played).

General Definitions.

RULE 78. "Play" is the order of the umpire to begin the game or to resume it after its suspension.

RULE 79. "Time" is the order of the umpire to suspend play. Such suspension must not extend beyond the day.

RULE 80. "Game" is the announcement of the umpire that the game is terminated.

RULE 81. "An inning" is the term at bat of the nine players representing a club in a game and is completed when three of such players have been legally put out.

RULE 82. "A Time at Bat" is the term at bat of a batsman. It begins when he takes his position, and continues until he is put out or becomes a base runner. But a time at bat shall not be charged against a batsman who is awarded first base by the umpire for being hit by a pitched ball, or on called balls, or when he makes a sacrifice hit, or for interference by the catcher.

RULE 83. "Legal" or "Legally" signifies as required by these rules.

THE SCORING RULES.

RULE 84. To promote uniformity in scoring championship games the following instructions are given and suggestions and definitions made for the guidance of scorers, and they are required to make all scores in accordance therewith.

The Batsman's Record.

RULE 85. SECTION 1. The first item in the tabulated score, after the player's name and position, shall be the number of times he has been at bat during the game, but the exceptions made in Rule 82 must not be included.

SEC. 2. In the second column shall be set down the runs, if any, made by each player.

SEC. 3. In the third column shall be placed the first base hits, if any, made by each player.

The Scoring of Base Hits.

SEC. 4. A base hit shall be scored in the following cases: When the ball from the bat strikes the ground on or within the foul lines and out of the reach of the fielders.

When a fair-hit ball is partially or wholly stopped by a fielder in motion, but such player can not recover himself in time to field the ball to first before the striker reaches that base or to force out another base runner.

When the ball be hit with such force to an infielder or pitcher that he can not handle it in time to put out the batsman or force out a base runner. In a case of doubt over this class of hits, a base hit should be scored and the fielder exempted from the charge of an error.

When the ball is hit so slowly toward a fielder that he cannot handle it in time to put out the batsman or force out a base runner.

In all cases where a base runner is retired by being hit by a batted ball, unless batted by himself, the batsman should be credited with a base hit.

When a batted ball hits the person or clothing of the umpire, as defined in Rule 53, Section 6.

In no case shall a base hit be scored when a base runner is forced out by the play.

Sacrifice Hits.

SEC. 5. Sacrifice hits shall be placed in the Summary.

A sacrifice hit shall be credited to the batsman who when no one is out or when but one man is out, advances a runner a base by a bunt hit, which results in the batsman being put out before reaching first, or would so result if it were handled without error.

A sacrifice hit shall also be credited to a batsman who, when no one is out or when but one man is out, hits a fly ball that is caught but results in a run being scored, or would in the judgment of the scorer so result if caught.

Fielding Records.

SEC. 6. The number of opponents, if any, put out by each player shall be set down in the fourth column. Where the batsman is given out by the umpire for a foul strike, or fails to bat in proper order, or is declared out on third bunt strike, the put-out shall be scored to the catcher. In cases of the base runner being declared "out" for interference, running out of line, or on an infield fly, the "out" should be credited to the player who would have made the play but for the action of the base runner or the announcement of the umpire.

SEC. 7. The number of times, if any, each player assists in putting out an opponent shall be set down in the fifth column. An assist should be given to each player who handles the ball in aiding in a run-out or any other play of the kind, *even though he complete the play by making the put-out.*

An assist should be given to a player who makes a play in time to put a runner out, even if the player who could complete the play fail, through no fault of the assisting player.

And generally an assist should be given to each player who handles or assists in any manner in handling the ball from the time it leaves the bat until it reaches the player who makes the put-out, or in case of a thrown ball, to each player who throws or handles it cleanly, and in such a way that a put-out results, or would result if no error were made by a team-mate.

Assists should be credited to every player who handles the ball in the play which results in a base runner being called "out" for interference or for running out of line.

A double play shall mean any two continuous put-outs that take place between the time the ball leaves the pitcher's hands until it is returned to him again standing in the pitcher's box.

Errors.

Sec. 8. An error shall be given in the sixth column for each misplay which prolongs the time at bat of the batsman or allows a base runner to make one or more bases when perfect play would have insured his being put out. *But a base on balls, a base awarded to a batsman by being struck by a pitched ball, a balk, a passed ball or wild pitch shall not be included in the sixth column.*

An error shall not be charged against the catcher for a wild throw in an attempt to prevent a stolen base, unless the base runner advance an extra base because of the error.

An error shall not be scored against the catcher or an infielder who attempts to complete a double play, unless the throw be so wild that an additional base be gained.

In case a base runner advance a base through the failure of a baseman to stop or try to stop a ball accurately thrown to his base the latter shall be charged with an error and not the player who made such throw, provided there was occasion for it. If such throw be made to second base the scorer shall determine whether the second baseman or shortstop shall be charged with an error.

In event of a fielder dropping a fly but recovering the ball in time to force a runner at another base, he shall be exempted from an error, the play being scored as a "force-out."

Stolen Bases.

SEC. 9. A stolen base shall be credited to the base runner whenever he advances a base unaided by a base hit, a put-out, a fielding or a battery error, subject to the following exceptions:

In event of a double or triple steal being attempted, where either runner is thrown out, the other or others shall not be credited with a stolen base.

In event of a base runner being touched out after sliding over a base, he shall not be regarded as having stolen the base in question.

In event of a base runner making his start to steal a base prior to a battery error, he shall be credited with a stolen base.

In event of a palpable muff of a ball thrown by the catcher, when the base runner is clearly blocked, the infielder making the muff shall be charged with an error and the base runner shall not be credited with a stolen base.

Definition of Wild Pitch and Passed Ball.

Sec. 10. *A wild pitch is a legally delivered ball, so high, low or wide of the plate that the catcher cannot or does not stop and control it with ordinary effort, and as a result the batsman, who becomes a base runner on such pitched ball, reaches first base or a base runner advances.*

A passed ball is a legally delivered ball that the catcher should hold or control with ordinary effort, but his failure to do so enables the batsman, who becomes a base runner on such pitched ball, to reach first base or a base runner to advance.

The Summary.

The Summary shall contain:

In case it becomes necessary to play the seventh game to decide the event, the Commission shall determine the city in which the game is to be played.

Representatives of Contesting Clubs and Notice to Players.

SEC. 7. The clubs entitled to contest for the world's honor shall be represented by the President of their respective leagues and clubs. The Secretary of the National Commission will be required to notify all of the players of the contesting teams that they will be held amenable by the Commission to all rules governing Base Ball and will be subject to discipline regardless of contracts.

When to Terminate. Winning Club.

SEC. 8. The clubs shall continue to play each day according to the authorized schedule until one of them has won four games, when the contest shall end, and the club winning shall be entitled to fly the emblem or pennant of the world's championship during the ensuing Base Ball season, and the players thereof shall be permitted to wear the memento or button as long as they please.

Right to Terminate the Series.

SEC. 9. The National Commission shall reserve to itself the right to terminate the series at any time that it deems the interest of Base Ball demands it, and to declare one of the contesting clubs the winner of the championship regardless of previous performances.

Guarantee of Contesting Clubs.

SEC. 10. Each of the clubs participating in the event shall guarantee to the National Commission in such manner as the latter may prescribe, that they will faithfully

carry out all of the provisions of these rules and regulations, and such others as the Commission may hereafter make to govern the games, and that they will not exercise an arbitrary right or privilege of abandoning the series until it has been completed or the championship determined.

The Umpires.

SEC. 11. There shall be two umpires, who shall be invested with the authority and discretion that the playing rules confer, and they shall observe the same general instructions with reference to maintaining order and discipline upon the ball field during these contests that govern them in the performance of their duties in all other games in their respective leagues.

Umpires—How Selected.

SEC. 12. The President of the National League and the President of the American League shall each select two umpires from their respective leagues, and the umpires so chosen shall be assigned to duty and be subject to the orders of the Chairman of the National Commission.

Compensation of Umpires.

SEC. 13. The compensation of the umpires shall be fixed by the National Commission.

Expenses—How Adjusted.

SEC. 14. The expenses of the National Commission pertaining to these games, the salaries of the umpires, and other miscellaneous and contingent expenses in connection therewith, shall be paid out of the funds to be received by the Commission from these games. Should these funds prove insufficient for this purpose, the balance shall be paid out of the regular funds of the Commission, and should there be a surplus in these funds it shall be credited each year to the regular funds of the Commission. All other expenses of both clubs, such as hotel bills and traveling expenses, balls, advertising, policing of grounds, ticket sellers and takers, incidentals, etc., shall be paid by the club incurring the same. Should any difference arise at any time as to the latter expense, the same shall be submitted to the Commission for adjudication, and their finding shall be conclusive.

Constitutional Rights of the Clubs.

SEC. 15. Each contesting club shall preserve its constitutional rights during games played upon its own grounds with reference to the conduct of its business affairs in connection therewith, but the visiting club shall also be allowed its inherent rights and whatever representation and facilities it may require to properly protect the interests of the club and its players. Provided, however, that the captain of the home team should not be accorded the privilege to determine whether the grounds are fit. This authority will be delegated to the umpires. If they fail to agree, the umpire whose turn it is to officiate behind the plate will decide as to the condition of the ground.

Rates of Admission.

SEC. 16. The rates of admission and the conditions governing the same shall be fixed by and be under the control of the National Commission.

Division of Receipts.

SEC. 17. The receipts from the games shall be divided as follows:

(1) Ten per cent of the gross receipts from all games shall be paid to the National Commission.

(2) Sixty per cent of the balance from the first four games shall form a pool for the players of the two teams, to be divided sixty per cent to the winner and forty per cent to the loser of the contest.

(3) After the ten per cent deductions for the Commission and the sixty per cent, which forms the players' pool from the first four games, the balance of the gross receipts shall be divided equally between the two clubs.

(4) The amount to be paid into the players' pool, as provided by this section, shall be paid to the Commission, and the same shall be distributed to the players through the Secretary of the Commission.

Adjustment of Salaries After the Contract Season.

SEC. 18. In the event that the schedule for a world's championship series extends beyond the player's contract season, then the salaries of the players who properly belong to the contesting clubs shall continue, at the contract rate, to the end of the series of games scheduled, although only four or more games be played.

Free List Suspended.

SEC. 19. The free list shall be suspended during the contest, except to representatives of the press and club officials of the two leagues.

Time of Presentation of Pennant and Buttons.

SEC. 20. The pennant and buttons shall be presented to the victorious club and its players, each year, by the National Commission, who are authorized to arrange for all of the details of such presentation.

Disputes to be Settled by the Commission.

SEC. 21. All questions arising out of the playing for the world's championship not provided for herein, nor covered by the Playing Rules, shall be dealt with and decided by the National Commission.

All Clubs to Agree to These Conditions.

SEC. 22. All clubs of both leagues hereby agree absolutely to conform strictly to all the articles of these rules, and in any cases not herein provided for to conform to the decisions of the National Commission.

Rules to Apply to Other Games.

SEC. 23. These same rules shall apply to all other games played between National and American League clubs upon application being made to the National Commission, excepting Section 2, it being understood that mementos to the players of the victorious team, as well as the pennant to be given to the victorious club, shall only apply to the World's Series. All players shall be paid at their contract price for all games of this character that they are obliged to play after the expiration of their contracts.

Players to be Notified.

SEC. 24. After the adoption of this Agreement by the National and American Leagues, copies of the same shall be prepared by the respective leagues and sent to the President of each club, who shall, on or before the 10th of March of each year, mail a copy to each player of his club.

In addition to the above list, the Spalding "Official National League" Ball has been adopted for one or more years by over one hundred other Professional and Amateur Leagues. The Spalding League Ball is in universal use by all the leading college and school teams throughout the United States.

When to the above is added every foreign league on the face of the earth where Base Ball is played, including Canada, Mexico, England, Cuba, Porto Rico, Hawaii, Japan, Australia, India, the South American Republics and South Africa, some idea may be conveyed of the universal recognition accorded to the Spalding "Official National League" Ball.

The Spalding "OFFICIAL National League" Ball

Is in a class by itself. It has no rival, even in approximate excellence. It has attained a degree of perfection in manufacture where the genius of man seems unable to conceive of any design for its improvement. The Spalding Ball has reached this high stage of development from very modest beginnings. Time was when American boys had to be satisfied with a base ball composed of a slice from a rubber shoe, some yarn from their dad's woolen sock and a cover made of leather bought from the village cobbler and deftly wrapped and sewed on by their patient mother, after her day's work was done. But that time is no more; for, whatever may be true of the doughnuts and pies that "mother used to make,"—and we all remember how good they were—the home-made creations of our maternal ancestry in the base ball line had to give way when the house of A. G. Spalding & Bros. entered that field, and long ago the **Spalding "Official National League" Ball** distanced all competition in the race for popular supremacy.

The game of base ball has become our National Game because its integrity has been preserved through many years. For identically the same reason, the **Spalding "Official National League" Ball** has won its place in the high esteem of all devotees of the sport. Like the game in which it is used, its integrity is above suspicion.

It is well for the youth of America to learn the lesson that while the cheapest things are very seldom the best things, the best are always the cheapest in the end. The price of the genuine **Spalding "Official National League" Ball** is **\$1.25** each—no more and no less. The market abounds with so-called "League Balls," all listed at \$1.25 each, for the sole purpose of deceiving the purchaser and enabling the "just as good" dealer to work the discount scheme on the boy who is not posted.

This is the reason why bright boys always insist upon the Spalding Ball and decline to accept any substitute. To many parents, a ball is a ball; but to the American lad who knows, only a Spalding Ball is the genuine and Official Ball of the game, and substitution of "something equally as good" does not go with him, for he has learned that to become a good ball player and get the greatest pleasure out of the game, he must use the same ball that all the leading professional players use—and this is the **Spalding "Official National League" Ball**.

Gold Medal Autograph Bats

FOR THE PAST THIRTY YEARS, or since our Base Ball Bat Factory was established, we have turned out special model bats to suit the leading players of the prominent professional leagues, and our records will show hundreds of different bats made in accordance with the ideas of the individual player, many of whom have been league record-makers. The models that have been adopted have been duplicated by us from time to time as they have required additional bats, and in hundreds of cases we have been requested to furnish to other players duplicate bats that have been made for and used by well-known players. In order to satisfy the ever-increasing demand from our customers for bats of the same models as used by the leading players, we have obtained permission from many of the leading batters of the country to include in our line of high grade bats these Gold Medal "Autograph" Bats, bearing their signature. Space will not permit a description of all the various models, but the following models have been selected as examples of what we are producing in this special "Players' Autograph" Bat Department.

□ No. 100. PLAIN OIL FINISH. Each, \$1.00 □

Frank L. Chance
Autograph Model

This is a very large Bat with a fairly thick handle. Bats supplied will not weigh less than 45 nor over 48 ounces. Length about 35 inches.

Ed L. Clarke
Autograph Model

This is a large Bat, the same length as the Chance Model, with less weight but more evenly distributed, and not quite as thick handle. Bats will not weigh less than 41 nor over 44 ounces. Length about 35 inches.

Samuel E. Crawford
Autograph Model

Also a large Bat, almost the length of the Chance Model, but with much less wood, especially in the handle part of the Bat. Bats supplied will not weigh less than 41 nor over 44 ounces.

Harry Davis
Autograph Model

A well balanced small handle Bat of very popular model. Bats supplied will not weigh less than 38 nor over 41 ounces.

Payton O. Bresnahan
Autograph Model

This Bat is somewhat shorter than the Chance Model, medium thick handle and rounded end. Bats supplied will not weigh less than 41 nor over 45 ounces. Length about 32 1/2 inches.

Joe J. Evers
Autograph Model

A symmetrically shaped Bat, good bulk, medium thick handle. Bats supplied will not weigh less than 41 nor more than 43 ounces.

Melby J. Huggins
Autograph Model

A short Bat with a small handle, but with good bulk in the balance of the Bat. Bats supplied will not weigh less than 39 nor over 41 ounces.

Wm. H. Keeler
Autograph Model

This Model and the Chance Bat touch the two extremes in models and weights used by the great majority of prominent professional players. The Keeler Model is short and has fairly thin handle. Bats supplied will not weigh less than 36 nor over 39 ounces. Length about 31 inches.

We can also supply on special orders Donlin, Stone and Oakes Models

CORRESPONDENCE—If you wish any particular model bat, and will describe the bat you require, the length, weight and full description of same, and address any of our branch stores, the matter will be taken up, with the hope of furnishing our customers with the exact model and style and weight of bat they require. This will come under our special "Players' Autograph" Bat Department. This entire department is looked after by the manager of our Professional League Base Ball Department, who is familiar with most of the types of models used, and to whom will be referred any unusual model. At least two weeks' time is required to make bats after customer's own model.

Spalding Trade-Mark Bats

Spalding Black Diamond Bat

This bat is of same quality as our Gold Medal Autograph Bats, and is furnished in the most popular models. The special finish which we use on this one grade is a similar preparation to that which many professional players rub on their own bats, and has a tendency to darken the color of the bat.

No. 100D. Each, \$1.00

Spalding Dreadnought Bat

Extreme Size

This bat is turned out of specially selected well seasoned ash, and in the largest size, 2 3/4 inches in diameter, allowed under the official playing rules; an excellent bat for preliminary swings before going to bat. In assorted lengths.

No. 100L. Plain Oil Finish. Each, \$1.00

Spalding Record Bat

Plain Oil Finish

This Spalding Record Bat is made from the most popular models, but finished in rough and ready style, with no polish—simply the plain oil finish. Packed one dozen in a crate (assorted lengths from 30 to 35 inches and weights from 36 to 42 ounces), as nearly as possible in the following proportion:

LENGTHS		WEIGHTS	
1-30 inches	2-33 inches	1-36 ounces	2-39 ounces
1-31 inches	4-34 inches	1-37 ounces	4-40-41 oz.
2-32 inches	2-35 inches	2-38 ounces	2-41-42 oz.

These lengths and weights are given approximately and as a rule the shortest lengths will be the lightest weights.

The Record Bat is especially recommended for club use, including college and school teams.

No. 75. Plain Oil Finish. Each, 75c.

Spalding Mushroom Bat

Patented August 1, 1905

The Knob Arrangement at the end of the bat enables us to get a more even distribution of weight over the whole length than is possible under the old construction, making it for certain kinds of play practically invaluable, and as an all around bat we have received many letters from prominent professional players testifying to their appreciation of the good points in its construction. Only the very best quality of air-dried timber has been used and every one is carefully tested by an expert before leaving our factory.

No. 50M. Plain Bat, Special Finish. Each, 50c.

Spalding Boys' Record Bat

No. 50B. Same finish, quality and models as the Record, but shorter lengths and proportionate weights. An absolutely first grade boys' bat. Each, 50c.

Hold your bat properly and strike the ball with the grain. Don't blame the manufacturer for a break which occurs through abuse or improper use

SPALDING Trade - Mark BATS

No. 50T No. 50 No. 35T No. 25 No. 50W

SINCE 1877, when we introduced the Spalding line of Trade-Mark Bats, they have been recognized as standard by players to whom quality is a consideration. Wherever possible, we have improved both style and quality from time to time and the assortment as now made up comprises absolutely the most up-to-date and thoroughly trustworthy styles that can be produced. The timber used in their construction is seasoned in open sheds, exposed to the weather from two to three years before using, thus ensuring not only a lighter and stronger bat, but also retaining the life quality and driving power of the natural wood.

Spalding Bats are made for fair use. Strike with the grain and don't blame the manufacturer for a break which occurs otherwise.

It is in the Spalding Basemen's Mitts that the full advantages of the special "molded face" feature can be seen and appreciated. These mitts, which from the very moment they are put into play should adapt themselves to the conformation of the hand, cannot be simply slapped together without regard to shape. The leather in the face must first of all be most carefully selected, and only the very best portions picked out for the peculiar stretching and molding process which goes so far towards making Spalding Basemen's Mitts the perfect articles they are. Then the padding must be shaped properly by hand to form the necessary "pocket" and after that the other special features, only found in our goods, must be added, in order to make them worthy to bear the Spalding Trade-Mark.

Why Spalding Uniforms are Best

Because they are actually cut from measurements in the same manner as high class custom clothing, after making allowances necessary in an athletic outfit, and are *not* cut after block patterns simply to lessen manufacturing cost.

Because we make them ourselves in our own well ventilated and sanitary factories, the goods never leaving our own establishment from the time it comes in from the mill in a piece until it goes out a finished garment ready for the Base Ball Player to put on.

THE INTERSCHOLASTIC UNIFORM No. 2

Colors: White, Blue Gray, Brown Gray, Dark Gray, Black, Green, Maroon, Navy Blue, Brown, and Cardinal

Made of same grade of material as our higher priced uniforms, but of lighter weight. This is one of our most popular suits and will give the best of satisfaction. Can usually be worn two seasons.

INTERSCHOLASTIC UNIFORM No. 2. Complete, \$9.00, **\$7.50**
Net price to clubs ordering for *Entire Team*, Suit,

Special Colors Extra, 25c. per pair.

We have on hand a special flannel, *Royal Purple*, dyed particularly for teams connected with the *Order of Elks*. While we do not recommend that this be made up solid color in suits, still it makes a beautiful combination as trimming on white flannel, and we are making these uniforms now in that way in Nos. 0, 1 and 2 qualities only.

THE MINOR LEAGUE UNIFORM No. M

Colors: Navy Blue, Blue Gray, Dark Gray, Brown Gray, and White

We have supplied this uniform in the past to some of the more prominent of the Minor League teams on special order, and it has proven so popular and satisfactory that we have decided to add it to our regular line. Well made of very durable material.

We use plenty of material in every article—nothing is skimpy; the sewing and finishing is carefully done, and the uniforms not only look well, but they feel comfortable when put on and they give good service even under the roughest kind of usage.

Why Spalding Shoes are Best

athlete's shoe to make it right. In addition to this, we use light weight leather, specially tanned, to give it the additional strength so necessary in an athletic shoe. Furthermore, when we say a shoe is "bench made," it is really made throughout by hand by a shoemaker working at a bench in our factory. The plates on all of our shoes are put on carefully by hand.

Because we use the best Kangaroo leather for the tops. Because we use the best White Oak leather for the soles. Because we use the finest Hand Made Steel Plates obtainable. Because they are made in our factory, under the direct supervision of experts. SPECIAL NOTICE—With Base Ball Shoes that are being used continuously or fairly often, an application of neats-foot oil or some good fish oil should be applied to the uppers once every week or two weeks in order to keep them in a nice soft condition. This will also increase the wear of the shoes, as the perspiration from the foot has a tendency to deteriorate the quality of the leather.

Hand made throughout and of specially selected kangaroo leather. No pains or expense has been spared in making this shoe not only the very highest in quality, but perfect in every other detail. The plates are of the finest hand-forged razor steel and are firmly riveted to heel and sole.

The contents of the 350 pages of the 1910 RECORD comprise in part the complete official averages of the major and minor leagues for 1909, with standing of clubs and list of previous winners in each organization since its inauguration; a most interesting account of the past year in base ball, presented in chronological order; charts showing the race in all of the major and minor leagues, presenting a graphic illustration of the fluctuations of the teams as they advanced or receded from the coveted first position; list of batsmen who have made 400 since 1871; batsmen who have batted 300 in any major league since 1876, etc., etc. The illustrations are an important feature of the book and comprise groups of all the champion teams in the major and minor leagues, world's series scenes, etc.

SPALDING'S OFFICIAL BASE BALL RECORD will be sent anywhere on receipt of 10 cents by any of A. G. SPALDING & BROS.' stores (see list on inside front cover).

Spalding's Official Base Ball Guide

THE 1910 issue of the Guide marks the thirty-fourth year of its publication, and it is universally acknowledged that it surpasses all previous numbers in the wealth and variety of its contents. The illustrations especially are unusually attractive and comprise action pictures of leading players, world's championship scenes, minor league teams, college teams and individual pictures of prominent base ball writers of the United States. The text contains numerous special articles on timely base ball subjects, records, reviews, complete rosters of the big league teams, and the newly revised official playing rules.

Schoolyard Athletics

By **J. E. SULLIVAN**

President Amateur Athletic Union;
Member Board of Education Greater New York.

THE great interest in athletics that has developed in the public schools within recent years has led to the compilation of this book with a view to the systemization of the various events that form the distinctively athletic feature of school recreation. With its aid any teacher should be able to conduct a successful meet, while the directions given for becoming expert in the various lines will appeal to the pupil. Some of the leading athletes have contributed chapters on their specialties: Ray Ewry, holder of the world's high jump record, tells how to practice for that event; Harry Hillman, holder of the hurdle and three-legged records, gives hints on hurdle racing and three-legged racing; Martin Sheridan, all-around champion of America, gives directions for putting the shot; Harry F. Porter, high jump expert, describes how to become proficient in that event. The book is illustrated with photos taken especially for it in public school yards.

Standard Policy

A Standard Quality must be inseparably linked to a Standard Policy.

Without a definite and Standard Mercantile Policy, it is impossible for a manufacturer to long maintain a Standard Quality.

To market his goods through the jobber, a manufacturer must provide a profit for the jobber as well as the retail dealer. To meet these conditions of Dual Profits, the manufacturer is obliged to set a proportionately high list price on his goods to the consumer.

To enable the glib salesman, when booking his orders, to figure out attractive profits to both the jobber and retailer, these high list prices are absolutely essential; but their real purpose will have been served when the manufacturer has secured his order from the jobber, and the jobber has secured his order from the retailer.

However, these deceptive high list prices are not fair to the consumer, who does not, and, in reality, is not even expected to pay these fancy list prices.

When the season opens for the sale of such goods, with their misleading but alluring high list prices, the retailer begins to realize his responsibilities, and grapples with the situation as best he can, by offering "special discounts," which vary with local trade conditions.

Under this system of merchandising, the profits to both the manufacturer and the jobber are assured; but as there is no stability maintained in the prices to the consumer, the keen competition amongst the local dealers invariably leads to a demoralized cutting of prices by which the profits of the retailer are practically eliminated.

This demoralization always reacts on the manufacturer. The jobber insists on lower, and still lower, prices. The manufacturer, in his turn, meets this demand for the lowering of prices by the only way open to him, viz.: the cheapening and degrading of the quality of his product.

The foregoing conditions became so intolerable that, ten years ago, in 1899, A. G. Spalding & Bros. determined to rectify this demoralization in the Athletic Goods Trade, and inaugurated what has since become known as "The Spalding Policy."

The "Spalding Policy" eliminates the jobber entirely, so far as Spalding Goods are concerned, and the retail dealer secures his supply of Spalding Athletic Goods direct from the manufacturer under a restricted retail price arrangement by which the retail dealer is assured a fair, legitimate and certain profit on all Spalding Athletic Goods, and the consumer is assured a Standard Quality and is protected from imposition.

The "Spalding Policy" is decidedly for the interest and protection of the users of Athletic Goods, and acts in two ways:

FIRST—The user is assured of genuine Official Standard Athletic Goods, and the same fixed prices to everybody.

SECOND—As manufacturers, we can proceed with confidence in purchasing at the proper time, the very best raw materials required in the manufacture of our various goods, well ahead of their respective seasons, and this enables us to provide the necessary quantity and absolutely maintain the Spalding Standard of Quality.

All retail dealers handling Spalding Athletic Goods are required to supply consumers at our regular printed catalogue prices—neither more nor less—the same prices that similar goods are sold for in our New York, Chicago and other stores.

All Spalding dealers, as well as users of Spalding Athletic Goods, are treated exactly alike, and no special rebates or discriminations are allowed to anyone.

Positively, nobody; not even officers, managers, salesmen or other employees of A. G. Spalding & Bros., or any of their relatives or personal friends, can buy Spalding Athletic Goods at a discount from the regular catalogue prices.

This, briefly, is the "Spalding Policy," which has already been in successful operation for the past ten years, and will be indefinitely continued.

In other words, "The Spalding Policy" is a "square deal" for everybody.
